4. Members Reports

Mr Sofield on behalf of Barkisland in Bloom reported that the group had prepared a plinth at The Cross in preparation for the erection of a pitch pine cross. Mr Sofield had spoken to Cllr Watson who had inferred that he would like to see a commemoration stone placed at the foot of the cross with a brief history of the site. Cllr Naylor agreed to speak to Cllr Watson to clarify whether this is something the historical society wished to fund or a request for the Parish Council to fund. The group had put compost in all the beds ready for planting, planted three trees behind the bus shelter and given the village a general tidy up.

She reported that the group had raised £200 from its stall at the Christmas Community Market and its annual get together had been well attended at Robin's Nest. The group were now busy sourcing yellow plants for summer planting and have organised a Village Planting Day for family and friends. The wall planters at the bus stop have been tidied up in preparation of new plants being planted in March.

5. Yorkshire in Bloom 2014

The Clerk reported that Ripponden had once again been entered in the Yorkshire in Bloom competition and confirmed that there would be a spring judging, the date of which was not as yet known.

The Meeting agreed that the colour theme for the summer needed to be yellow for the Tour de France and that Marigold would be the best flowers to use in different shades. Cllr Riley advised that she had contact details for a supplier of trailing yellow flowers which would be suitable for the 3-tier planter. She will pass the details on to Cllr G Carter.

The Clerk reported on the Council office refurbishment and that the planter at the front had been tipped due to rotting. It was agreed that Cllr G Carter and the Clerk should look for an alternative but it was felt that anything bought should be narrow to enable disabled members of the public access to the building. It was suggested that perhaps rectangle or square wooden planters would be the most suitable.

6. Spring Hanging Baskets 2014

8. Memorial Garden

Mr Harrop advised the Meeting that he would need to remove the wooden sleepers at the garden since they had been vandalised and were rotten. The Meeting agreed that the garden should be planted with yellow Marigolds for the summer, but that after the Tour de France this should be replanted for the WW1 commemoration. The centre piece would be a yellow bicycle. It was suggested that some of the Marigolds could be utilised to spell 1914 to 2014 and perhaps be surrounded by poppies or other red plants.

Mr Harrop agreed to look into sourcing some poppies and Cllr Riley said that she had planted some British Legion poppies to be used in a couple of the barrels and any left would be used in the woodland areas.

9. Updates on the Cross & Gate House Gardens, Barkisland

Cllr G Carter reported that the sign was to be removed and the Clerk was asked to chase the matter up with Calderdale Council.

10. Ebenezer Graveyard

Cllr Naylor reported that the gate had now been made and fitted at the entrance to the graveyard.
