West Yorkshire Police Update

Out at night on country roads - be seen be safe. Cyclists, use lights that can be seen at all times. Pedestrians, think about wearing a pale colour so motorists can see you or a high visibility armband or vest and don't forget the dog as well.

Sergeant Ryan Stockton -

I want to reassure the residents of Ripponden that we take the priorities you set seriously. We have increased patrols in the area and traffic on Dyson Lane has been monitored, resulting in a number of motorists receiving penalty notices.

We continue to work with the Casualty Reduction team, tackling speeding motorists.

For regular updates about what we are doing, please Like our Facebook Page - Upper Valley NPT. In the last year there have been 40 less victims of crime in the Ryburn ward area. Thank you for helping us to make Ripponden parish an even safer place to live.
